## The World of Ayako Endo Drawing the Heart of Japan in French Colors Glass & Fabric Painting Artist Ayako Endo

This time for Japan Expo 15 project, I collaborated with three traditional companies in Niigata, Japan.

I hope you enjoy my new work "The Heart of Japanese -Enjoy the Elegance of seasons-".

Sake of Hokusetsu Sake Brewery Co.,Ltd. raised in nature of Sado Island.

I tried to express a heart of Japanese to enjoy taste of sake with seasonal scenes in my work.

Ojiyachijimi, it's one of traditional hemp fabrics produced by Mizuta Co., Ltd. in Ojiya, Niigata.

I tried to express a heart of Japanese to host their guests with seasonal motifs in my work.

Traditional furniture made by ISHIMOKU Co.Ltd. in Kamo, Niigata.

I tried to express a heart of Japanese to love tradition and modernity together in my work.

**Hokusetsu Sake Brewery Co., Ltd.** <http://sake-hokusetsu.com/>

Established in 1884, Hokusetsu Brewery has always cherished climate, natural features and people of Sado Island. Hokusetsu adds Japanese traditional technique that has been handed down for several generation to this rice in order to make the best sake.

Please enjoy our selection of Hokusetsu, a selection that can only be made from the island and the people of Sado Island. We will continue to providing the best sake possible from Sado.

### Daiginjo YK35

This premium brand of YK35 is made from Yamada-Nishiki-rice which is known as great ingredient for sake. Yamada-Nishiki-rice is first polished to 35% of its original size and then fermented for 40days at 10° C before becoming Dai-Ginjo.

### Junmai Daiginjo Koshitanrei

After 15 years of planning and testing, Koshitanrei was born from rice which Hokusetsu brewer himself harvested specially for this sake..

In order to bring out the best from this rice, Koshitanrei is made using a special procedure called "Gokkann Tsukuri". Contains rich flavor and crisp after taste.

**MIZUTA Co., Ltd.** <http://www.iono.jp/>

We are interior textile makers of Ojiya-shi, Niigata presenting silk and the product of the hemp material with a "cloth gallery" brand and perform plan, production, all of the sale.

I change the textile of this highest grade quality with a tradition of 1200 to the interior accessory of the trainer in we cloth gallery in modern usual times, and suggestion sells it.

### OJIYA CHIJIMI

High-quality hemp cloth is Ojiya chijimi. The Ojiya chijimiis 100% of hemp. A unique irregularity called "シボ" is a characteristic. We make it with handwork by the traditional manufacturing method one by one. I follow the traditional culture that Ojiya can be proud of to the world from now on and inherit it.

**ISHIMOKU Co., Ltd** <http://www.ishimoku.co.jp>

ISHIMOKU Co., Ltd. is an innovative company that unifies traditional furniture making methods and new design tastes in modern life.

### KIRIKO MODERN

A brand name for furniture and items produced by ISHIMOKU Co., Ltd.

It represents Japanese tradition, high quality and elegance.
